

CURRENT WATER USE RESTRICTIONS **AS OF 1-18-2018**

Outdoor irrigation of ornamental landscape or turf with potable water shall be limited to the following until further notice:

- **Even-numbered addresses can water on Tuesday, Thursday and Saturday.**
- **Odd-numbered addresses can water on Monday, Wednesday and Friday.**
- **No watering is allowed on Sunday.**
- **Water only between the hours of 6:00 p.m. and 7:00 a.m.**
- **Landscape Irrigation systems shall be limited to no more than 30 minutes of watering per station, per day.**
This provision does not apply to vegetable gardens, fruit trees, or other gardens or landscaping that produce food. This provision does not apply to landscape irrigation zones that exclusively use very low flow drip type irrigation systems when no emitter produces more than 2 gallons of water per hour. This provision also does not apply to watering or irrigating by use of a hand-held bucket or similar container, a hand-held hose equipped with a positive self-closing water shut-off nozzle or device.

Prohibited Activities:

- Failing or neglecting to fix any leak, break, or other malfunction in your plumbing, irrigation, or water system within three (3) days of receiving a Notice to repair from the District (unless other arrangements are made with the District);
- Applying potable water to outdoor landscapes in a manner that causes runoff such that water flows onto adjacent property, non-irrigated areas, private and public walkways, roadways, parking lots;
- Applying potable water to driveways and sidewalks;
- Using potable water in a fountain or other decorative water feature, except where the water is part of a recirculating system;
- Applying potable water to outdoor landscapes during and within 48 hours after measurable rainfall;
- Serving drinking water except upon request in eating or drinking establishments, including but not limited to restaurants, hotels, cafes, cafeterias, bars, or other public places where food or drink are served and/or purchased;
- Irrigating ornamental turf on public street medians with potable water; and
- Irrigating landscapes outside of newly constructed homes and buildings with potable water, in a manner inconsistent with regulations or other requirements established by the California Building Standards Commission and the Department of Housing and Community Development.
