## **NOTICE TO CUSTOMERS**

Pursuant to Section 367.081(4)(a), Florida Statutes, water and wastewater utilities are permitted to adjust the rates and charges to its customers without those customers bearing the additional expense of a public hearing. These adjustments in rates would depend on increases or decreases in noncontrollable expenses subject to inflationary pressures such as chemicals, and other general operation and maintenance costs.

On April 1, 2025, Bocilla Utilities, Inc. filed its notice of intention with the Florida Public Service Commission to increase water and wastewater rates in Charlotte County pursuant to this Statute. The filing is subject to review by the Commission Staff for accuracy and completeness. Water rates will increase by approximately 1.33% and wastewater rates by (n/a) %. These rates should be reflected for service rendered on or after June 1, 2025.
